

TSL partners with Celtic Audio

TSL has signed an exclusive partnership agreement with Celtic Audio, under the terms of the agreement Celtic will design professional audio monitoring equipment, which will be specified in conjunction with TSL.

Products will carry the TSL name and be marketed through TSL's worldwide reseller network. Members of Celtic Audio's design team include David Lambert, John Watkinson and David Lyon. Watkinson is the author of *The Art of Digital Audio*, *The Art of Sound Reproduction* and *Audio for Television*, while Lyon is the holder of multiple patents for signal processing technology.
